PROFILE SUMMARY

Hello, My name is Aman, I am currently working in the IT-Support department at Avinash Cargo Pvt Ltd, A leading transportation company. I Have completed my graduation in Arts- Social Sciences, from YCMOU University, and some coursework in BCA from 2018 to 2020, I bring a unique blend of skills and knowledge to the field of technology.

Although my BCA studies were interrupted due to the COVID crisis, I have acquired valuable knowledge in areas such as computer programming, database management during that time. While I haven't completed the degree, the skills and insights gained have been instrumental in enhancing my proficiency in IT support. Now I am Doing A PG-Diploma program in computer applications (PGDCA). To Switch my career in Website development & Software Engineering.

If you're seeking an IT professional who combines technical expertise with a creative mindset, I would be thrilled to connect with you.
